

FREE Virtual Consultations MEDICAL FACIAL AESTHETICS

Did you know that at Pinn Dental, we have been offering a range of medical facial rejuvenation treatments to help you feel and look great. These non-surgical techniques will help with clinical concerns as well as the options to reduce the signs of ageing to give you a natural, and fresher appearance - carried out by Dr Ola Hassan.

Free Virtual Initial Consultations are available from the comfort of your own home with Dr Ola who has trained in Harley Street in London, for various treatments.

We offer the following medical facial aesthetics treatments:

- Anti-wrinkle treatment consultations
- Jawline slimming
- Bruxism (teeth clenching and grinding)
- Excessive sweating

Dermal fillers – including the following treatments:

- Lip fillers
- Cheek enhancements
- Chin enhancements
- Nasiolabial folds
- Marionette lines

The following treatments are coming soon!

- Tear trough rejuvenation
- Non-surgical Rhinoplasty
- Chemical peels and skin boosters

Our goal is to provide you with a combination of high quality and honest advice with excellent medical facial aesthetic options - this means you can have complete peace of mind and any fears or apprehensions can be addressed and put to rest by our qualified aesthetics practitioner Dr Ola.

Feel free to take a look at Dr Ola's Instagram page for further before and after photos of real results.
